

Message from Marie France Chamary, President

Dear AMFCE Members

I wish to start by wishing you, your families and your loved ones a Very Happy and Prosperous Year 2017.

It is with great delight that I am sharing this first e- newsletter with you. The first issue of our AMFCE e-newsletter augurs well as we innovate in our communication strategy.

As you are aware, we organised a half day workshop on Sat 4 Feb 2017. The purpose of the workshop was to enable members to voice out their views on how the AMFCE can better assist and support them. The core themes identified will serve as the basis for the 2017 – 2019 Action Plan.

I am happy as President of the AMFCE to share the highlights and outcomes of the workshop as well as the Way Forward with you and look forward to your support in this endeavour.
